The beautiful quilted wall hanging on the previous page was hand quilted out of 16 squares by **Diane (Ballinger) Ott**. It was then presented to me as an expression of appreciation for the NewsLink efforts and the Dinner get-togethers. I was speechless. Believe me when I say; "I will treasure it always".

**IT RAINED ON OUR PARADE (PICNIC)**

**Jerry Smith** graciously arranged a day at the Union Park Shelter house for our class picnic on Sept. 13<sup>th</sup>.

It had rained a lot on that day and was still raining at the time the Picnic was held. Several suggested that others had told them they were coming, but called to cancel because of the rain. Several suggested that it was their loss. Because it was high and dry in the Shelter House. 18 brave souls ventured out and had a good time and enjoyed a lot of very good food. Among some of the things I can remember were: *Meatloaf-Chicken-Roast Pork-Chili-Potato Salad-Pistachio Salad-Brownies-Doughnuts-Pies-Rolls-Corn Bread-and Toffee(made from the same recipe that those enjoyed at Warren Harding from Diane (Ballinger) Ott.*

Next year I am going to retire. I want to find someplace for the winter where it never snows. I love the Spring, Summer, and Fall, but Northern Minnesota in the winter; forget it!!! The kids threw a 70<sup>th</sup> birthday party for me. We had a great time, very exhausting but very good. Tell everyone hi, and I am already planning for the 55<sup>th</sup>.

Mike and I ended the year with a Mediterranean Cruise out of Civitavecchia, Rome. We saw all the ruins, Vatican City, St. Peter's Basilica, Fontana di Trevi to name a few. We visited most of the do's between Genova to Florence. Cinque, Croatia, and Genova were pleasant surprises. Mike's favorite was the drive along the Amalfi Coast, and mine was the charming hilltop city of Taormina in Sicily. The Pompei ruins were absolutely unimaginable. Love and God Bless. May we keep the true meaning of Christmas always present in our hearts.
